Initiative-taking Student with skills in SQL, Microsoft Office, and C++ amongst other languages. Eager to learn more about the IT business world through hard work and commitment to quality. Currently a 3rd year student at the University of Pretoria studying a Bachelor in Information Technology (BIT)

EXPERIENCE

2021 – PRESENT
STARS MENTOR, UNIVERSITY OF PRETORIA

As a mentor, my job is guiding, referring, advising, supporting, and motivating my mentees and assist them to adapt and become street wise on campus. My mentees will adapt socially and emotionally and this will have a positive effect on their academics.

2020 – 2021
SOFTWARE ENGINEER INTERN, ZWARTS IT

At Zwarts IT I learnt how to use front end frameworks such as AngularJS. Throughout my internship I also learnt how to work with GitHub and GitBash when working in teams for projects.

2020 – 2020
BRAND AMBASSADOR, HATFIELD STUDIOS

I was tasked with giving a tour to prospective Hatfield Studios residents and convincing them that Hatfield Studios was the best pick for them as a residence. I also did a bit of paperwork as well as filing documents.

EDUCATION

2019 - 2022
BACHELOR OF INFORMATION TECHNOLOGY (COMPUTER SCIENCE), UNIVERSITY OF PRETORIA

Distinctions in Informatics and Business Management.

2014 - 2018
NATIONAL SENIOR CERTIFICATE, PENRYN COLLEGE

Certificate of Merit in Information Technology
Head of Public Relations (2017 -2018)
First Team Hockey Captain (2018)
Provincial Colour's in Cricket and Hockey (2015-2017)
